The screenshot shows two main sections. The top section, titled "Add confidential message", includes an icon of a document with a lock and the text: "Besides the notification to the recipients you can add an additional confidential message to this transfer. The recipients will receive this message as an additional file attached to this transfer." The bottom section, titled "Add files", includes a paperclip icon and the text: "Select the files you want to provide. Please note that the maximum transfer volume is 2.00 GB." At the bottom of the interface are "Back" and "Next" buttons with arrows.

This screenshot shows the form for adding a confidential message. At the top, it repeats the text from the previous step: "Besides the notification to the recipients you can add an additional confidential message to this transfer. The recipients will receive this message as an additional file attached to this transfer." Below this is a "Subject" field containing the text "Confidential Message". Underneath the subject field is a rich text editor toolbar with icons for bold (B), italic (I), underline (U), strikethrough (ABC), bulleted list, numbered list, link, unlink, and a "スタイル" (Style) dropdown menu. Below the toolbar is a large empty text area for entering the message content.
