# SK 3301.955 - Cooling medium (ready-mixed) For chillers and air-water heat exchangers

As well as protecting against frost, this cooling medium also serves to inhibit bacterial growth and provide optimum corrosion protection.

## Features

|                             |                                                                                                                                            |
